

Year 10

In Year 10, students will follow the programme 'My Journey, My Future' by Career and Enterprise Company.

The two key outcomes for My Journey, My Future are;

- My Journey—identify, recognise and develop a self-awareness of current employability skill level.
- My Future— apply understanding to developing an action plan for transition to a possible career pathway.

Within these two outcomes some essential components are;

- Giving young people ownership
- Engaging parents and carers
- Reflection time and follow up
- Celebrating success
