

KS3

In KS3, students follow the 'My Skills, My Future' Career Programme from Careers and Enterprise Company.

The programme is divided into 3 parts -

<p>Lesson Materials</p> <p>To increase knowledge and understanding of key topics in 3 specific sections Employability Skills, Next step prep and A Day In The Life.</p> 	<p>Projects</p> <p>To provide experiences in which your young people can develop or practice important independence/ work-related employability skills.</p> 	<p>Engagement Videos</p> <p>To offer stimuli for engagement and interest in a range of careers and career types.</p>

As well as the programme; they will also be given the chance to have some work experience by supporting Willow Farm in Yalding. This includes assisting with the day to day running of the farm, maintaining animals and their living areas and engaging with the general up keep of the farm such as picking apples from the orchard, collecting eggs from the chickens or shearing the sheep.
